In Attendance: Jay Ondrizek, Sue Konstalid, Kathy Miller, Jill Herr, Wayne Miller, Marge Howery; BJ Shoemaker

I. Introductions and Welcome:

- a. Voted on new committee chair – Jay Ondrizek was nominated and voted in as committee chair for the summer season. Jay has been attending the league meetings as the parent representative since March of 09.

II. New Business:

- a. Jay reviewed meet schedule for summer season
 - i. We will be having three home meets: June 13, 20, 27
 - ii. We will be having two away meets: July 4, 11
 - iii. There is a problem with East Pennsboro's pool availability on July 11th, so the coaches will be trying to work out solution. It's a possibility that this could become a home meet* (**this option has since been struck by the Y- so keep posted*)
 - iv. The Plus team will be in Lancaster the morning of June 13, so the team will need to be prepared for volunteers who may be arriving at meet fairly close to the official start.
- b. Jay and Marge reviewed the list of volunteers that are needed to run a meet:
 - i. Cyril will be able to run our meets this season as starter/referee.
 - ii. Marge is collecting a list of officials that we have available. We should be in good shape covering meets.
 - iii. Computer/Console will be covered by Jay/Marge with help. Jay expressed need for computer help on June 13 (start of meet) and July 27 (whole meet).
 - iv. Marge will be putting together a volunteer list for the meets. Jay mentioned that the league desires the coaches to finalize the meets by the Wednesday prior to the meet so it might minimize the chance of any surprises for the visiting team at the meets. Jay and Marge will work with the coaches to help meet this goal.
 - v. Committee had a discussion on having a "Timers" training for new parents who may want instruction prior to volunteering at meet. Committee set Thursday June 11th as the night for this training.
 - vi. Jay and Wayne will test the stopwatches and other equipment in the next week to make sure everything is working prior to first meet.
 - vii. Committee discussed the possibility of having a Parents Meeting for the team on Monday June 8th. This will be discussed with the coaches and an email will be sent out.
- c. Jay reviewed minutes of league meeting from May 11th:
 - i. Bulk of time was dedicated to ironing out details for meets that have been scheduled for July 4th weekend league-wide
 - a. Our meet has remained unaffected; we **will** be swimming July 4th.
 - b. There were some minor changes in officiating that will be forwarded to all certified officials.

III. Meeting Adjourned at 7:10 pm
